ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the Properties, hereby covenants, and each Owner of any lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when

the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Beginning on the 1st day of the month preceding the opening of the Common Area for the members' use, the maximum annual assessment shall be Five Hundred (\$500) Dollars per lot.

(a) From and after the 1st day of the month preceding the opening of the Common Area for the members' use, the maximum annual assessment may be increased each year not more than five (5%) percent above the maximum assessment of the previous year without a vote of the membership.

(b) From and after the 1st day of the month preceding the opening of the Common Area for the members' use, the maximum annual assessment may be increased above five (5%) percent by a vote of two-thirds (2/3rds) of each class of members who are voting, in a person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of members who are voting, in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than thirty (30) days, nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty (60%) percent of all votes of each class of membership shall constitute a quorum. If the required quorum is not present another meeting may be called, subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and collected on an annual basis.

Section 7. Date of Commencement of Annual Assessments....Due Dates. The annual assessments provided for herein shall commence as to all lots on the 1st day of the month preceding the opening of the Common Area for the members' use. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The prorated assessment shall be due on or before the opening date. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-payment of Assessments....Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen (18%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot, pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to the payments which became

due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an Architectural Committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Architectural control by the Declarant shall cease upon the date of the sale of the final undeveloped lot, or January 1, 2005, whichever occurs earlier.

ARTICLE VI GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall, in no event, be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants and restrictions by judgment or court order shall in no wise affect any other provisions, which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of the Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
